Bus Service Information
2016
All Saints’ College provides a number of bus services for our students and routes include to/from Applecross, South Perth, Inner Fremantle, Fremantle, Wandi and Canning Vale. To travel on one of these services outlined in the booklet, students are requested to wait at the nearest Transperth bus stop along their preferred route. Whilst these bus services are subsidised by the College, a fee is payable by families for the use of these transport services. Students can also access the Transperth bus to and from Bull Creek train station.

When a new student arrives at ASC they will be issued with a personalised All Saints’ College ID Card during the first week of Term 1 or within the first two days of attendance if commencing during Terms 2, 3 or 4.

This ID card is used to borrow books from the College Library, printing documents and to catch the College bus before and after school. The use of this card is essential for all students using the buses to and from school. This ensures the College is able to maintain our duty of care for each student and also monitor demand for the bus service. When the students enter the bus in the morning, they must swipe their cards on the reader (no swipe is required when they exit the bus at the College). For the afternoon journey, students are required to swipe when they enter the bus and also when they exit at their drop-off destination.

Students who do not use their College ID cards when travelling on the bus service will be required to manually sign on and off using the register held by the bus driver. Parents should note that an administration change will apply for the manual processing of each journey if the card is not presented. If this behaviour becomes a regular occurrence, the Dean of Student Wellbeing will contact the student concerned.

If a student loses their ID card, a replacement card will be required. A fee of $10.00 will be payable at the Senior School Library. A replacement card will be issued within one school day.

Students who are new to the College have permission to travel to and from school on the College provided services without a card until a card has been issued.

Families have two payment options available for using the bus service. Current prices can be found in the 2016 Bus Payment Options document available on the College website. Payment options include a discounted annual payment which can be made by cash, cheque or credit card (administration fees apply).

If students opt to use the bus service on a pay as you travel basis, fares will be charged at $3.30 per trip and will be billed to the Family school fee account at the end of each term. Charges will be capped at $210.00 per term for each student when the ID card is used. Please note that manual transactions will not be included in this capped amount, and will be charged separately.

Parents can download the 2016 Bus Payment Options document from the website, select their preferred payment option, complete their details and return the form to the Accounts Department via email on accounts@allsaints.wa.edu.au or by returning the completed form in person to either the Junior School or Senior School Reception.

If you have any questions regarding the bus service, please contact our Facilities Officer, Ms Deb Deisel on 9313 9311 or our Accounts Department on (08) 9313 9333 for queries relating to account payments.
Company: Buswest
The Facilities Assistant is the College representative responsible for liaison with the company.

Morning Pickup
7.35am  Stock Rd
         Clive St
