PERTH CULTURE AND LIFESTYLE

Perth, the capital city of Western Australia, is a multicultural hub and home to people of all nationalities. It is renowned for its laid back lifestyle and famous for its long days of sunshine, clear blue skies, brilliant beaches and diverse natural attractions. The weather ranges from mild winters between the months of June and August to Mediterranean style summers from December to April.

Located alongside the peaceful waters of the Swan River, twenty kilometres inland from the Indian Ocean, lifestyle activities in Perth can include trips to the beach, picnics at Kings Park, outdoor barbeques, movies, shopping and much more. Perth also has a thriving arts scene as well as an array of international dining choices.

Being a neighbour with Asia you will find that Perth is in a similar time zone to many Asian countries and hence many of our International students originate from Asia.

The Perth City Centre is a popular tourist attraction, bustling with activity and offering a range of shopping choices. The Port City of Fremantle lies just south of Perth on the coast of Western Australia. Considered the cultural centre of Perth, Fremantle is a popular spot, particularly at weekends where you will find markets, entertainment and plenty of alfresco style cafes and eateries.

As Perth’s first Anglican coeducational school, we are proud to provide excellence in a coeducational setting. At All Saints’, opportunities abound for our students, within and beyond the classroom! A dynamic and innovative Pre-K to 12 College, All Saints’ enjoys a national reputation for providing a holistic education and, specifically, for achieving outstanding academic results in a friendly, caring and supportive environment.

Recognising the African proverb that it takes a village to raise a child, All Saints’ College enjoys a strong sense of community: our dedicated staff and diverse student population celebrate parent, family and community involvement. As part of this, and in keeping with our motto – To serve with wisdom and courage – our students recognise and embrace their responsibilities to society, being active contributors to their community in many practical ways during their school years and beyond.

Set on a beautifully treed and landscaped campus of 19 hectares, approximately 10 minutes’ drive from the Perth CBD, All Saints’ is renowned for its world-class facilities, including our state-of-the-art technologies, our indoor Aquatics and Sports Centres and our breath-taking new Centre for Performing Arts, to name but a few.

Further, our students enjoy the fact that all our facilities are on-site and thus readily accessible, not only during school hours but also beyond the school day via our extensive cocurricular program of activity and learning.

The College has had five Principals: Dr Eric Speed (1981-1987); Mr Anthony London (1987-2000); Rev Peter Laurence (2001-2002); Dr Geoffrey Shaw (2003-2011); and Ms Belinda Provis, from May 2013 until the present. (Father Braden Short held the position of Acting Principal in 2012/2013.)

Proudly Anglican, All Saints’ College is also a multi-faith community – we welcome families from all cultures, backgrounds and religions. (The College Chapel on campus is also the Parish Church of Bull Creek-Leeming, which is attended by many College families.)

All Saints’ is proud of its history and recognises with gratitude the contribution of previous generations of students, families and staff who have shaped the College and helped to position it as one of the nation’s finest.

“Thank you to the teachers at All Saints’ College for consistently providing a high level of care and education. They have been attentive to needs and learning styles, and quick to respond when there has been an issue.” (All Saints’ College parent)

INTERNATIONAL STUDENT ENROLMENT INFORMATION

All Saints’ College is a CRICOS approved school that accepts applications from international students for Years 7 – 12. Positions are limited and are subject to availability.

APPLICATION AND ENROLMENT PROCESS

1. Contact the College Registrar via email registrar@allsaints.wa.edu.au or phone +61 08 9313 9342 to make an initial enquiry and to discuss the availability of places. The College recommends that admission be considered for entry into Year 7, Year 8, Year 9 or Year 10. Year 11 entry would only be considered in exceptional circumstances.

2. Arrange to have your child tested by AEAS (Australian Education Assessment Services). Detailed information about the test, practice tests and testing centres in Australia and in other countries can be obtained by visiting the website at www.aeas.com.au. Subject to acceptable test results and reports, and if a vacancy exists, an offer of place may be made.

3. Submit an International Student Application form with the application fee, copies of the student’s two most recent academic reports, a copy of a current AEAS (Australian Education and Assessment Services) assessment so that the College may determine the student’s English language ability and appropriate academic entry point. Submission of an application does not guarantee entry to All Saints’ College.

4. When a place becomes available in the required year and subject to the reports being in order, an interview will be conducted with the student and parents by a member of the College Leadership Team and a formal offer of place will be generated and sent to the family. At the time of interview the College Registrar will provide the family with a tour of the College Campus and facilities, if required.

5. Parents are required to sign the Written Agreement, pay the Endowment Fee and any related fees as shown in the College’s International Fees and Charges Information and Business Arrangements in order to accept the place for their child.

6. The College Registrar will generate a “Confirmation of Enrolment” (CoE) and “Confirmation of Appropriate Accommodation/Welfare Arrangement” forms, which will be sent to you electronically and via post. The forms will enable you to apply for a student Visa at the Australian Embassy or High Commission nearest to you. For further information in relation to applying for a student visa, please visit www.border.gov.au. A student visa cannot be granted without a “Confirmation of Enrolment” form.

7. Payment of one semester’s fees (as per the International Fees, Charges Information and Business Conditions) is payable in advance.

8. All international students studying on student visas must have Overseas Health Cover (OSHC). OSHC is insurance that provides cover for the costs of medical and hospital care which international students may need whilst in Australia. It is a Government requirement that students pay for their health insurance in advance for the entire duration of their studies. The Health Fund is Medibank Private, which is the Australian Government’s Health Insurance Fund. This information is a guide only. For up to date details, please visit www.health.gov.au

The ESOS Framework and the National Code exists for the protection of all Full Fee Paying Overseas Students and their parents as consumers. Further information on the ESOS Framework can be obtained at the following link www.aei.gov.au

NOTICE OF WITHDRAWAL
Refer to “International Student Refund Policy”

Notice of withdrawal must be provided in writing to the Principal by the student’s parents or legal guardian(s). Verbal notification is not considered due notice.

Refunds will be paid in accordance with the International Student Refund Policy and should be made in writing to the Principal.

ATTENDANCE AND COURSE PROGRESS
Refer to “International Student Deferment, Suspension and Cancellation Policy and International Student Course Progress and Attendance Policy”

One of the more important visa conditions is 8202 – Meeting Course Requirements. This condition is in relation to issues such as poor attendance of unsatisfactory academic progress. Your child is expected to be in attendance at the College for a minimum of 80% of the course. Absenteeism is recorded and documented as per the school policy. The College must be notified of any change of address of living circumstances of the student, family and/or guardian. Failure to do so may affect the viability of the student’s on-going visa.

All Saints’ College is required, under Section 19 of the ESOS Act 2000, to advise DIBP about changes to the student’s enrolment and breaches of student visa conditions relating to academic performance, satisfactory progress and attendance. Breaches of these visa conditions has serious implications for a student visa and will affect the possibilities for future study in Australia. Deferment, withdrawal or cancellation of a student’s enrolment may affect his/her student visa.

- In the event of a student being absent without prior notice, for illness or any other reason, the College should be advised by telephone or email immediately, addressed to the Principal.
- Parents/Guardians are expected to ensure attendance of students throughout the school year.
- Deferment or suspension of studies will only be considered in exceptional circumstances and on written application to the Principal.

STUDENT SUSPENSION OR EXPULSION

If the Principal suspends or cancels a student’s enrolment due to a serious breach of the College’s rules, the student will be reported to the Department of Immigration and Border Protection (DIBP). Deferment, withdrawal or cancellation of a student’s enrolment may affect his/her student visa.

CHANGING EDUCATION PROVIDER

Refer to “International Student Transfer Request Assessment Policy”

The National Code restricts student from being able to transfer to other providers prior to completing six months of their principal course (the student’s main course of study). Request for transfer should be made in writing to the Principal by the student’s parents and/or legal guardian and outline the reasons for the request. A valid offer for enrolment from the new provider must also be submitted. If permission is granted for the transfer by the Principal a release letter will be issued. The new provider is required to indicate their willingness to accept welfare responsibility for students under the age of 18. All Saints’ College will act in accordance with Standard 7 of the National Code and in the best interests of the student when considering transfer requests.

COMPLAINTS AND APPEALS PROCESS

Refer to “International Student Complaints and Appeals Policy”

The International Student Complaints and Appeals Policy provides the process and contact details for both internal and external assistance, if required. The Australian Government provides an Overseas Students’ Ombudsman who offers a free and independent service for international students who may
have a complaint of who wish to lodge an external appeal in relation to a decision made by the College. Family or friends of an international student who are concerned about a problem a student is having can also contact the Ombudsman. Students may make a complaint in their own language. The Ombudsman will pay for the interpreter. A brochure containing information on how the Overseas Student Ombudsman can assist international students is available from the College Registrar.

OVERSEAS HEALTH COVER

All international students studying on Student Visas must have Overseas Health Cover (OSHC). OSHC is an insurance that provides cover for the costs of medical and hospital care, which international students may need whilst residing in Australia. Students must obtain OSHC for the proposed duration of their Student Visa. Medibank Private Fees are subject to change annually.

ACCOMMODATION AND WELFARE ARRANGEMENTS

It is a requirement that International Students reside whilst enrolled at the College with a parent who has a Guardianship Visa or with a suitable direct adult relative, such as an Aunt or Uncle who is a permanent resident of Australia. Proof of identity and relationship to the student will be required. Parents on a Guardianship Visa must lodge a written undertaking to the College to remain in Perth at all times during term time.

- It is a requirement, prior to enrolment, that the appointed guardian be interviewed with the parents of the student by the Principal.

Responsibilities of the Guardian:

- Maintain regular contact with both the student and parents;

SUPPORT SERVICES

The College Pastoral Care Program is delivered to local and international students across all Year groups and covers issues that relate to students’ developmental phases as young people. The program teaches students resiliency and time management skills, stress management, decision making strategies, techniques for successful relationships and leadership training. Most importantly, the Pastoral Care Program ensures a comfortable transition from one Learning Community to the next.

Every effort is made to ensure our new international students are made to feel welcome and that they are well supported, both academically and pastorally during their transition to life in Perth and as a student at All Saints’ College.

Within each Year group, students are assigned to one of our six Houses. These smaller House groups allow students to develop positive relationships with their peers and staff. All students are encouraged to take an active role in their House by participating in academic, spiritual, sporting, cultural and community service activities.

Dean of Teaching and Learning
The Dean of Teaching and Learning has overall responsibility for the academic performance of all students within the Senior School from Years 7 to 12. Learning programs are deliberately constructed to be student-centred, differentiated, embedded in technology, challenging and rigorous. Individual pathways are planned, monitored and assessed so that the learning needs of each student are met in an environment that is supportive and affirming. The majority of our students are tertiary bound and the College offers students a broad range of curriculum options and the guidance and support to achieve personal academic goals and aspirations.

Dean of Student Wellbeing
The Dean of Student Wellbeing, takes a particular interest and responsibility for Year matters pertaining to student health and wellbeing. They are responsible for overall behaviour and the efficient running of the College within a pastoral care context, recognising, understanding and addressing the differing needs of individual staff members and students.

Heads of House
Each Head of House is responsible for the academic and pastoral care needs of the students within his/her Year. The Head of House works directly with the students in their Year group, in close consultation with the Form teachers, as well as other appropriate pastoral care personnel. The Head of House works in closely with the Deans and is a member of the Pastoral Care Council.

Form Teacher
The Form Teacher is the special focus person who is responsible for the pastoral care of a specific group of students throughout their secondary schooling. This person is the significant adult to whom the students of the year group relate, fostering a sense of care and belonging within the group. The Form teacher is also responsible for reporting on the general progress of students to parents.

College Psychologist
The College Psychologist’s role in pastoral care involves psychological counselling and the facilitation of problem solving – at the individual, classroom and entire College level.

Health Centre
The College Nurses are responsible for the medical care of our students.

STUDENT SERVICES

In addition to the above pastoral and academic services offered at the College, the Department of Education offers a free mediation/conciliation service through and International Student Conciliator.
THE ESOS FRAMEWORK – PROVIDING QUALITY EDUCATION AND PROTECTING RIGHTS

The Australian Government wants international students in Australia to have a safe, enjoyable and rewarding place to study. Australia’s laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework, and include the Education Services for Overseas (ESOS) Act 2000 and the National Code.

PROTECTION FOR OVERSEAS STUDENTS

Overseas students on student visas must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at www.cricos.education.gov.au. CRICOS registration guarantees that course and education providers meet the high standards necessary for overseas students. Students should check carefully that the details of a course − including its location − match the information on CRICOS.

STUDENTS’ RIGHTS

The ESOS framework protects students’ rights, including:

• Their right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from the provider and provider’s agent. If students are under 18, to ensure their safety they will be granted a visa only if there are arrangements in place for their accommodation, support and welfare;
• Their right to sign a written agreement with the provider before or as fees are paid, setting out the services to be provided, fees payable and information about refunds of course money. Students should keep a copy of the Written Agreement;
• Their right to receive the education they paid for. The ESOS framework includes consumer protection that will allow them to receive a refund or to be placed in another course if the provider is unable to teach their course;
• The students’ right to know:
  • how to use the provider’s student support services
  • who the contact officer or officers are for overseas students
  • if students can apply for course credit when enrolment can be deferred, suspended or cancelled
  • what the provider’s requirements are for satisfactory progress in the courses students study
  • if attendance will be monitored for those courses
  • what will happen if the student wishes to change providers; and
  • how to use the provider’s complaints and appeals process.

STUDENTS’ RESPONSIBILITIES

As overseas students on student visas, students have responsibilities to:

• satisfy student visa conditions;
• maintain Overseas Student Health Cover (OSHC) for the period of their stay;
• meet the terms of the Written Agreement with the provider;
• inform the provider if the student changes address;
• maintain satisfactory course progress;
• if attendance is recorded for the course, follow the provider’s attendance policy; and
• if the student is under 18, maintain approved accommodation, support and general welfare arrangements.
OTHER IMPORTANT INFORMATION FOR INTERNATIONAL STUDENTS

• It is imperative that parents advise the Registrar of any change of address or contact details within seven (7) working days as the Registrar is required to report this change on PRISMS. Failure to report such changes will be a breach of your child’s visa conditions.
• You will need to finalise your child’s travel arrangements. If he/she returns to their home country each holiday you will need to make bookings well in advance.
• To meet your child’s student visa requirements it is important that he/she does not leave school before the end of each term or return late after each new term has commenced.
• Permission for students to arrive after the term commences, or leave before the term ends, will only be granted by the Principal in exceptional circumstances, and written permission must be requested with at least 3 weeks’ notice.
• International students may not drive or have access to any form of motor transport whilst a student at All Saints’ College.
• The possession, distribution or use of any form of illegal substance under Australian law or any type of offensive weapon or behaviour illegal under Australian law will lead to the immediate dismissal of the student from the School.

International students are expected to participate fully in the academic, sporting, cultural and social life of the College. They are expected to speak English wherever possible and to observe Australian customs of social courtesy and behaviour. In return Australian students are expected to respect the different cultural backgrounds and experiences of their international colleagues. An unwillingness to be an active and committed member of the All Saints’ College community will lead to the enrolment of a student being reviewed by the Principal.
