TERMS AND CONDITIONS - 2015 SCHOLARSHIPS

SCHOLARSHIP ELIGIBILITY

Australian citizenship and residency status

Applicant must be an Australian Citizen or hold a visa granting Permanent Resident status in Australia.

Parents must be living in WA at the beginning of the school year that their child takes up a scholarship. If parents normally live in WA, but are temporarily out of the state, they should be intending to return, ready for the commencement of the school year. Applications for students whose parents continue to live outside WA and are not considering taking up the scholarship at the commencement of the school year will not be considered as suitable applicants.

Applicants who are unable to meet the residency requirements, but believe there are extenuating circumstances applicable to their case, may apply.

Students not eligible for scholarships

Fee-paying Temporary Visa holders are not eligible to apply for a scholarship at All Saints’ College.

Please Note: If an applicant completes the Scholarship Examination for the incorrect intake year (e.g., Year 5 student or a Year 8 student sits for Year 7 or a Year 10 placement) they will be deemed ineligible to sit the examination for that same intake the following year. The Scholarship Examination score will be carried over for the next year's placement.

SCHOLARSHIP REGISTRATION FEES

There are no registration fees for the Leadership Scholarship, Foundation Indigenous Scholarship or Music Grants.

Registration fees of $80 are applicable for Academic Scholarships, Music Scholarships and Performing Arts Scholarships:

- This fee is payable before a student may sit the Scholarship Examination or have a Performing Arts (Dance / Drama / Media / Music) audition and is required at the time the application is submitted
- Applications will not and cannot be processed or accepted without payment
- The fee payment of $80.00 is not refundable or transferable
All Saints’ College takes no responsibility for any costs associated with travel to and from the examination venue.

Parents are welcome to contact the Registrar, Jill Green, on (08) 9313 9333 to discuss the correct application intake for their child or email enquiries to scholarships@allsaints.wa.edu.au

All Saints’ College accepts no responsibility for applications that are completed incorrectly.

Late applications are not accepted. The College does not accept liability for lost postal applications or applications that arrive after the closing date.

SUCCESSFUL APPLICANTS

Successful applicants will have 5 days in which to accept or decline a scholarship offer.

- Acceptance will be confirmed by the return of the signed scholarship offer letter
- A non-refundable Family Endowment Fee (25% of a current Year 12 tuition fee) will be required to confirm the place (not applicable to Indigenous Scholarship, Music Grants or current All Saints’ College students)

(If a written response is not received within the date specified on the letter of offer, it will be assumed that the offer has been declined.)

ACADEMIC SCHOLARSHIP EXAMINATION RESULTS

Students sitting the Scholarship Examination are not able to receive an individual performance report. Marks are confidential and cannot be disclosed under any circumstances. There are no sample/previous papers for the Scholarship Examination available.

Early advice of results

If parents need to know the possible outcome from the examination early due to a possible fee commitment at an alternate school, they are asked to submit a request in writing to:

The Principal
All Saints’ College
PO Box 165
WILLETTON WA 6955

The letter must include evidence of an offer of placement to an independent or government school with the closing date. If the selection process has not been finalized, the College cannot guarantee the accuracy of any early release information.

WITHDRAWAL FROM ALL SAINTS’ COLLEGE

IMPORTANT: If a scholarship recipient leaves the College before the completion of Year 12 to attend another school in the Perth metropolitan area, the College will be entitled to claim reimbursement of the scholarship amount in full up to and including the year the student leaves. In addition, a fee in lieu of notice will be payable if notice of withdrawal is not provided within the required time period.
TERMINATION OF SCHOLARSHIPS

Scholarship offers will be withdrawn if the student fails to attend school on the first day of the College year without providing a satisfactory explanation to the school. Enrolment may not be deferred beyond the first day of Term 1 in the intake year. Any deferment must be negotiated with and approved by the College Principal.

If an offer is accepted, followed by a change of circumstances which prevents the applicant attending, the College is to be informed as soon as possible.

Academic Scholarships are granted with the expectation that the student will maintain sound academic performance during their years at the College. The College expects scholarship winners to obtain results which rank them in the top 25% academically in their year group. If a scholarship holder does not achieve satisfactory academic results, the College reserves the right to withdraw the scholarship.

Music Scholarships are granted with the expectation that the student will maintain sound academic performance during their years at the College. If a scholarship holder does not achieve satisfactory academic results, the College reserves the right to withdraw the scholarship.

Performing Arts Scholarships are granted with the expectation that the student will maintain sound academic performance during their years at the College. The College expects scholarship winners to remain committed and dedicated to the Performing Arts program. If a scholarship holder does not achieve satisfactory results, the College reserves the right to withdraw the scholarship.

Leadership Scholarships are granted with the expectation that the student will maintain demonstrated leadership skills and a high level of community service during their years at the College. Should this not be the case the College reserves the right to withdraw the scholarship.

Foundation Indigenous Scholarships are granted with the expectation that the student will maintain a demonstrated commitment to their studies during their years at the College. If not, the College reserves the right to withdraw the scholarship.

GENERAL CONDITIONS

Holiday arrangements/Change of address

All Saints’ College is not responsible for the loss of an offer of placement due to incorrect address details, misplacement of contract or lack of communication regarding alternate arrangements.

If applicants are on holiday when offers are being made, arrangements should be made to have mail forwarded to an appropriate postal or email address. It is imperative that the College is notified of any change of address or circumstances.
Twins/multiple birth applicants

Due to the high level of demand for places at All Saints’ College, parents should not expect placement of multiple birth siblings if only one has been successful. Consideration will be given where multiple birth siblings have similar levels of academic merit, however, the placement of one multiple birth sibling does not guarantee automatic placement of the other/s into the Scholarship Program.

Siblings must go through the process of registering on the College waitlist to be offered a place.

If you require further clarification of any of the Terms and Conditions of the College’s Scholarship Program please contact the College Registrar, Jill Green, (08) 9313 9333 or email: scholarships@allsaints.wa.edu.au
