

Enrolment Policy

Enrolments

The College has an enrolment of approximately 1300 boys and girls from Pre-Kindergarten to Year 13.

Enrolment Priorities

In selecting students for interview, the following priorities are considered:

1. Siblings of students currently or previously enrolled at the College;
2. Children of former All Saints' College students;
3. Other students selected in application date order.

In the first two categories noted above, priority will be given, provided applications are received in accordance with the following;

- Pre-Kindergarten entry – application and fee must be received and paid by the child's first birthday
- Year 5 or 7 entry – application and fee must be received and paid by the child's fifth birthday

The Principal reserves the right to offer interviews from time to time to families with special considerations and/or circumstances.

Enrolment Policy

Enrolment is dependent on vacancy and will be determined in accordance with the Enrolment Priorities. It is assumed a student will complete their education at the College.

Enrolment Procedure

An enrolment interview is part of the process and will be conducted with a member of the College Leadership Team or a Senior staff member. The interview provides an opportunity for the College to meet the student and better understand their hopes and expectations:

1. Both parents/guardians, with the student, to attend. **Note:** An interview is not a guarantee of enrolment;
2. Signed acceptance by both parents of the Confirmation of Enrolment Form outlining College policies, rules, expectations and practices; and payment of the Endowment fee.
